MEMORANDUM FOR: Director of Personnel

SUBJECT: [REDACTED] "Employee Conduct, Indebtedness
of Agency Personnel"

1. I am returning the revised draft of [REDACTED]
"Employee Conduct, Indebtedness of Agency Personnel," for further
consideration.

2. In line with our attempt to cut down on the number of
Agency regulations, I wonder if this regulation is really necessary.
There is no question but that employees should handle their personal
financial affairs properly, and, in cases where they fail to do so,
we should take appropriate action. It seems to me, however, that
these cases can be handled on an individual basis, thereby obviating
the need to issue a regulation for all Agency employees. If you
agree with this reasoning I would further suggest that we rescind
the present existing regulation on this subject.

3. I shall be glad to discuss this matter with you.

Acting Deputy Director
